

11 March 1952

MEMORANDUM FOR: Chief, Plans and Programs, PY

SUBJECT: CIA Approach to the Development of a National
Psychological Strategy

I have just read with interest your paper on the above subject. I know you understand that the IO Division has had very little time to contribute to this paper, it having been handed to us on 11 March with a deadline of 11 March. Although I dislike to leave out of this paper the "capabilities" which the IO Division might be able to add to it, I think it would be dangerous for us to do the hasty job which time requires.

I hope that when the next paper is written on this general subject that you will give us a little more time and we will try to do a thoughtful and considered job.
